This concerns our continuing investigation of the activities of Raymond, who allegedly has planned to counterfeit securities which he would pledge for up to \$1,000,000 in loans to be used to purchase an interest in a Swiss bank. Raymond [redacted] in contact with New Jersey hoodlums including possibly La Cosa Nostra member Peter Dominic La Placa in connection with this scheme and has brought to Chicago two \$5,000 Treasury Bills which he pledged at an unknown bank for a \$9,000 loan. These bills (which our Agents surreptitiously examined) have been identified as part of a sale of Treasury Bills by Federal Reserve Bank to a New York brokerage concern which is now conducting a search to determine if a loss can be established.

MICHAEL RAYMOND
INTERSTATE TRANSPORTATION
OF STOLEN PROPERTY

I thought you would be interested in knowing of developments in our investigation of Michael Raymond, who is a notorious stock and bond thief.

Raymond was arrested by Special Agents of our Miami Office in April, 1969, on two separate charges arising out of his having pledged securities in Joplin, Missouri, and Chicago, Illinois, stolen from a New York City brokerage house. He was released on \$5,000 bond on each of these charges.

Raymond was again arrested June 5, 1969, by Special Agents of our Chicago Office on charges arising out of information we obtained concerning his interstate transportation of funds from prior pledgings of stolen stock in Joplin, Missouri. At the time of this arrest 300 shares of stock valued at approximately \$100,000 also stolen from a New York City brokerage house in September, 1968, were recovered. Raymond was again released on \$5,000 bond.

On the morning of June 9, 1969, we learned that Raymond had flown to Toronto, Canada. Canadian authorities were alerted and located him as he was about to enplane for Quito, Ecuador. This flight was stopped and he was instead placed aboard a Chicago bound plane by Canadian immigration authorities. Upon arrival at O'Hare Field, Chicago, on June 10, 1969, he was again apprehended by Special Agents of this Bureau. Subsequently, he was brought before the United States Commissioner at Chicago who ordered Raymond held under \$750,000 bond pending further hearing on June 12, 1969.

For information all offices receiving copies this report, investigation of this case is predicated on the basis of informant information that MICHAEL RAYMOND as early as October, 1968, was planning a large-scale counterfeiting crime. of this report, [REDACTED]

[REDACTED] However, subsequent to 3/6/69, a \$342,000 loss of U.S. treasury bills was discovered in the Francis I. Du Pont Brokerage in New York City, and the close sequences of time between this theft and the forwarding of \$700, as well as RAYMOND's admission to FBI Agents that he obtained \$79,000 in DuPont Securities from New Jersey people during March and April, 1969, after being placed in contact with suppliers by [REDACTED] the Chicago Division concludes that \$700 may have represented a payment made by RAYMOND in connection with his obtaining the stolen U.S. treasury bills.

In early April, 1969, RAYMOND obtained \$70,000 worth of stolen treasury bills from New Jersey people. He pledged \$10,000 worth of these bills in the Colonial Bank and Trust Company, Chicago, and \$30,000 worth of these bills in the First State Bank of Joplin, Missouri. in the Colonial Bank and Trust Company, Chicago, on 4/2/69.

RAYMOND was arrested by FBI Agents in Miami, Florida, on 4/29 - 30/69, in connection with the above charges.

On April 8 and 10, 1969, AUSA [] indicated that the above facts did certainly appear to represent an Interstate Transportation of Stolen Property violation on the part of RAYMOND and that he would give consideration of presenting the facts of this case to a Federal Grand Jury in the Northern District of Illinois.

On April 17, 1969, AUSA [] was advised by SA [] that \$262,000.00 worth of U.S. Treasury bills stolen from the DuPont Brokerage had been recovered by FBI Agents from the Canadian Imperial Bank of Commerce, New York City, where they had been left by one [] on April 16, 1969.

On April 22, 1969, AUSA [] caused the issuance of subpoenas on the Colonial Bank and Trust Company and the Illinois Bell Telephone Company, both Chicago, to enable securing stolen pledged collateral and toll call records from the Chicago phone of MICHAEL RAYMOND.

The New York Division advised on April 28, 1969, that on that date, the facts concerning violations developed against MICHAEL RAYMOND were discussed with AUSA [redacted] Southern District of New York. At this time, AUSA [redacted] advised that inasmuch as the pledging of securities in the Chicago area had been discussed with the United States Attorney's Office, Chicago, he felt the RAYMOND matter should be handled in the Northern District of Illinois. AUSA [redacted] further advised at this time, with respect to the pledging by RAYMOND of \$39,000.00 worth of stolen U.S. Treasury bills in Joplin, Missouri that he would defer prosecution to the Federal Missouri District as being the more proper district of prosecution.

b6
b7C

On April 30, 1969, AUSA [redacted] Northern District of Illinois, was advised by SA [redacted] that MICHAEL RAYMOND had been arrested by FBI Agents in Miami, Florida, on April 29, 1969, on the basis of an authorized complaint filed April 29, 1969, in Joplin, Missouri, charging RAYMOND with violation of Section 2315, Title 18, U.S. Code, in connection with the pledging of \$9,000.00 worth of stolen U.S. Treasury bills in the First State Bank, Joplin, Missouri, on April 22, 1969. [redacted] was further advised at this time that an authorized complaint had been filed on April 29, 1969, in Rutherford, New Jersey, charging MICHAEL RAYMOND with violation of Section 2314 Title 18, U.S. Code, in connection with Interstate Transportation from New Jersey to Chicago of \$10,000.00 worth of stolen U.S. Treasury bills which were pledged by RAYMOND at the Colonial Bank and Trust Company, Chicago, on April 2, 1969.

He said on that same date LISKY received \$3,000 in cash from his bank.

He said the first check was made payable to the Columbia National Bank for \$2,525, which LISKY received in cash. He said LISKY also issued a second check payable to the Columbia National Bank in the amount of \$15,500 and purchased two cashiers checks. He said through correspondence and telephone calls with the Mercantile National Bank of Miami Beach, Miami Beach, Florida, he had determined that LISKY had negotiated the two cashiers checks at the Mercantile National Bank on May 26, 1969, and received \$15,500 in cash.

[] said LISKY had made the above withdrawals and several other smaller withdrawals against his account in the Columbia National Bank which were in effect withdrawals against uncollected funds. The facts concerning MICHAEL RAYMOND's banking transactions at the Columbia National Bank of Chicago, Chicago, Illinois, and the Mercantile National Bank of Miami Beach, Miami Beach, Florida, were discussed by Special Agents [redacted] and [redacted] with Assistant United States Attorney [redacted] on June 4, 1969, at which time Assistant United States Attorney [redacted] advised he considered the movement of moneys obtained by fraud between Florida and Illinois to be a possible violation of Interstate Transportation of Stolen Property (ITSP) Statute; however, he felt that additional analysis of these bank accounts would be beneficial in establishing this violation. [redacted] stated, however, that the deposit of the \$10,000.00 Cashiers Check drawn on the First State Bank of Joplin, Joplin, Missouri, and negotiated at the Columbia National Bank of Chicago, representing moneys known to RAYMOND to have been taken by fraud, did represent a violation of the ITSP Statute and, thereupon, authorized the filing of a complaint in this regard.

On June 4, 1969, an authorized complaint was filed by Special Agent [redacted] before United States Commissioner JAMES T. BALOG, Chicago, Illinois, charging MICHAEL RAYMOND with violation of Section 2314, Title 18, United States Code, and a commissioner's warrant was issued.

COMPLAINT for VIOLATION of

U. S. C. Title 18

The undersigned complainant being duly sworn states:

(1) MICHAEL RAYMOND

did (2) transport in interstate commerce from Joplin, Missouri to Chicago, in the Northern District of Illinois, monies in the amount of \$10,000, which monies said defendant knew to have been stolen, converted and taken by fraud.

And the complainant states that this complaint is based on the following information:

Your affiant has determined from interviews with officers of the Columbia National Bank, Chicago, Illinois, and from personal examination of the records of said bank, that Michael Raymond negotiated a \$10,000 cashier's check drawn on the First State Bank of Joplin, Joplin, Missouri, and that said negotiation was done by Michael Raymond using the name Edward Lisky, at the Columbia National Bank.

Your affiant has been advised by FBI Agents in Joplin, Missouri that they have in turn interviewed officers of the First State Bank of Joplin and have examined records of said bank, and therefore determined that the \$10,000 cashier's check referred to above reflected proceeds of a loan made to Michael Raymond, using the name Edward Lisky, for which loan Michael Raymond tendered stolen United States Treasury bills, as collateral.

Your affiant has been advised by FBI Agents in Miami, Florida that they interviewed Michael Raymond regarding his loan at the First State Bank of Joplin and that he admitted to them that he knew the securities tendered as collateral for the loan were stolen.
